AIR CAMP
GARNET VALLEY RANCH

Relax in the Wild Nature of Wine Country

Discover wine country in a rare and special place - Garnet Valley Ranch. A quick ten-minute drive from the town of Summerland, you arrive where nature works in harmony with agriculture. The 320-acre ranch is a working farm that is surrounded by natural habitat, organic vineyards, fields of ground crops and a lavender farm. A small pond attracts more than 70 species of birds, and wildlife. With no immediate neighbours, the site is tranquil and relaxing. There are places to hike and horseback riding options; or unplug, listen to nature, and read a book while you sip wine. Did we mention there is no wifi?

At Air Camp, you can experience wine country in a way few do, off the beaten track. Air Camp features a 2022 Air Stream Flying Cloud fully equipped to meet your camping needs with running water, power, air conditioning, and wastewater hook up. The campsite includes a picnic table, BBQ, lounge chairs and a large pop up shade tent.

This experience is available to Okanagan Crush Pad club members exclusively. To book, please contact our club concierge zoe@okanagancrushpad.com.
